

BITUMEN SURFACING CONSTRUCTION

🔍 NZQA #3775 ✓ 120 credits ⌚ 19 months

New Zealand Certificate in Infrastructure Works (Bitumen Surfacing Construction) (Level 4)

Roading is a crucial part of our infrastructure development. Grow your skills in the roading sector and play your part in making some epic infrastructure projects come to life.

This qualification is suitable for those working on an infrastructure site in a bitumen surfacing construction role. Build on your base skills and learn how to safely handle bitumen and construct our road surfaces to a high standard within required specifications while working in a team environment.

L4 INFRASTRUCTURE WORKS (BITUMEN SURFACING CONSTRUCTION)

NEW ZEALAND CERTIFICATE

As you work through this programme, you will learn the skills and knowledge to coordinate and work within a team to complete bitumen surfacing construction site works.

LEARN HOW TO

- Assess and prepare a site for bitumen surfacing construction
- Implement quality work processes on a bitumen surfacing construction worksite
- Safely operate bitumen surfacing construction equipment and machinery
- Assess a worksite for health and safety
- Support and mentor a team onsite

ENTRY REQUIREMENTS

It is recommended that those enrolling achieve the New Zealand Certificate in Infrastructure Works (Level 3) with an optional strand in Plant Operation or demonstrate equivalent knowledge.

HOW IT WORKS

It takes around 19 months to complete this programme. This qualification is achieved through a mixture of on-job assessment and off-job workbooks.

WHERE THIS CAN TAKE YOU

This qualification can lead towards Civil Trade Certification (CTC). You can also carry on to the New Zealand Certificate in Infrastructure Works (Single Site Supervision) (Level 4), New Zealand Certificate in Infrastructure Works (Projects) and New Zealand Certificate in Infrastructure Works (Contract Management) (Level 5).

GET STARTED

Want to enrol or find out more? Contact us and we will put you in touch with your local Customer Service Account Manager (CSAM).
