

RURAL CONTRACTING

STRANDS IN

**Crop Production
Harvesting
Vegetation Control**

 NZQA #2728  80 credits  6 - 9 months

New Zealand Certificate in Rural Contracting (Level 3) with Strands in Crop Production, Harvesting and Vegetation Control

Whether you are a seasonal worker or own your own business, this nationally recognised qualification will show you have the skills to get the job done.

This qualification in Rural Contracting will highlight your ability to work independently on a range of rural contracting activities, operate rural contracting machinery and work with limited to no supervision.

You can choose to specialise in either crop production, harvesting or vegetation control, to fit your working environment.

L3 RURAL CONTRACTING

NEW ZEALAND CERTIFICATE

Whether you are a new or experienced rural contractor, this qualification will be beneficial for your business and/or employment prospects.

SHOW EVIDENCE YOU CAN

- Follow best practise in rural contracting activities
- Work safely on a farm
- Operate rural contracting machinery and vehicles both on and off road
- Perform basic maintenance on rural contracting equipment

Depending on your chosen strand you will need to show you can either: prepare seed beds (crop production strand), harvest crops (harvesting strand) or control vegetation (vegetation control strand).

ENTRY REQUIREMENTS

There are no prerequisites required for this qualification, though you must be currently undergoing rural contracting work.

HOW IT WORKS

It takes around 6 - 9 months to complete this qualification. You will be required to produce a portfolio of evidence and your work will be assessed by one of our Connexis Assessors.

WHERE THIS CAN TAKE YOU

Graduates of this qualification are eligible for accreditation as a Qualified Contractor with Rural Contractors New Zealand.
