

UNIT STANDARD REVIEW FORM

This review form is designed to help us make improvements to our Unit Standards. Specific, descriptive feedback is necessary for improvement and success, and we value your input.

INDUSTRY FEEDBACK FOR REVIEW					
Name:					
Email:		Phone:		Date:	
Unit Standard Title:					
Number:	Level:	Credit:	Version:		
Check the following:				Yes	No
➤ Is the content of this unit standard still current?					
➤ Does the standard reflect new technologies?					
➤ Does the standard follow industry best practice?					
➤ Does the standard fit the current workplace environment?					
➤ Does the title accurately describe the skills and knowledge competencies required by the trainees (e.g., should it have a practical focus rather than demonstrate knowledge)?					
➤ Does the Unit Standard follow a logical process for assessment in the workplace?					
➤ Can trainees easily collect evidence to show they are competent?					
➤ Is the equipment and plant still current?					
➤ Are there any barriers for trainees demonstrating competence for this unit standard?					
➤ Are the links to the legislation, CoP, guidelines etc. current?					
➤ Are the explanatory notes still current?
