

PILING

**RECOGNITION OF CURRENT COMPETENCE
(RCC ONLY)**

 NZQA #3966  150 credits  6 - 9 months

***New Zealand Certificate in Infrastructure
Works (Piling) (Level 4)***

Are you an experienced operator in infrastructure piling? Step up and have your current skills and knowledge recognised with an NZQA approved tertiary qualification.

This qualification is suitable for you if you are working in an infrastructure worksite on piling operations. Build on your current skills and knowledge and take your career to the next level.

L4 INFRASTRUCTURE WORKS (PILING)

NEW ZEALAND CERTIFICATE

SHOW YOU CAN

- Install piles to job specifications
- Implement work plans and drawings
- Follow health and safety requirements
- Monitor site conditions and communicate with stakeholders on site
- Meet compliance requirements onsite

HOW IT WORKS

This qualification is currently available through the Recognition of Current Competence (RCC) process only. It takes around 6-9 months to achieve this qualification through RCC.

WHERE THIS CAN TAKE YOU

This qualification can lead towards Civil Trade Certification (CTC).

You can also carry on to the New Zealand Certificate in Infrastructure Works (Single Site Supervision) (Level 4) or the New Zealand Certificate in Infrastructure Works (Projects) (Level 5).
