

Infrastructure Works

Level 3

🔍 NZQA #4440 | ✔️ 60 Credits | ⌚ 9 Months

Recognition for foundation skills in infrastructure operations.

connexis.org.nz

NEW ZEALAND CERTIFICATE IN

Infrastructure Works

Skills Covered:

- Following processes and procedures, and complying with environmental protocols while delivering quality outcomes.
- Completing work to job specifications effectively and efficiently.
- Applying health and safety procedures.

Entry Requirements:

The learner must be employed in the infrastructure industry and exposed to the relevant skills covered. It is recommended the learner hold the NZ Certificate in Infrastructure Works (Level 2) before being signed up to this qualification.

Modes of Delivery:

This programme is achieved through on-job assessment and is completed through workbooks or eLearning.

Progression Pathways:

Graduates of this qualification will have proof of skills that can be applied across a range of infrastructure worksite operations. This qualification can also lead to a variety of apprenticeships in Bitumen Surfacing Construction, Civil, Forestry Earthworks, Pipeline Construction & Maintenance, or Piling.
