

Infrastructure Projects

Level 5

🔍 NZQA #2619-2 | ✅ 100-104 Credits | ⌚ 16 Months

Recognition to lead infrastructure works projects from start to finish.

connexis.org.nz

NEW ZEALAND CERTIFICATE IN INFRASTRUCTURE WORKS

Projects

Skills Covered:

- Ensuring infrastructure works projects meet requirements for quality, health, safety and environmental standards
- Leading infrastructure works projects to ensure they are delivered to contract specifications.

Entry Requirements:

There are no entry requirements as this is a stand alone programme for those leading projects within infrastructure works sectors. However, learners must be employed in the infrastructure industry and exposed to the skills covered.

Modes of Delivery:

This programme is assessed on-job and is completed through workbooks.

Progression Pathways:

Graduates of this qualification will be able to work in the infrastructure industry as Project Managers for small to medium sized infrastructure works projects.
