

INFRASTRUCTURE ASSET MANAGEMENT

 NZQA #3180  140 credits  24 months

***New Zealand Diploma in Infrastructure Asset
Management (Level 6)***

Gain the only NZQA recognised programme that proves your skills in managing infrastructure assets.

Take your career to the next level by becoming a qualified asset manager who will have best practice knowledge and skills to manage assets specific to the infrastructure industry. With this programme you can manage assets for asset owners in the public or private sectors, and you'll get recognised for your strong leadership and self-management skills along the way. This role is vital to completing infrastructure projects on time, with important assets well looked after.

L6 ASSET MANAGEMENT

N E W Z E A L A N D D I P L O M A

LEARN HOW TO

- Apply the essential components of good asset management practice in the infrastructure sector.
- Contribute to the preparation, implementation and review of infrastructure asset management planning for an organisation.
- Develop an infrastructure risk management plan for an organisation.
- Develop the asset lifecycle management plan for an organisation.
- Complete an optimisation process to enhance outcomes for an infrastructure project in an organisation.

ENTRY REQUIREMENTS

To complete this programme you should be working in the infrastructure asset management sector. You should also have oral, written and interpersonal communications and math skills.

HOW IT WORKS

This programme will take up to 24 months to complete. As the qualification is designed for self-paced learning, time may vary between individuals. It is achieved through both a theoretical and practical focus, with assessments taking place at work through a portfolio of evidence and a professional discussion.

WHERE THIS CAN TAKE YOU

Graduates of this programme will have the skills and knowledge to be employed in infrastructure asset management roles for private and public asset owners, consultants, and contractors.

GET STARTED

Want to enrol or find out more? Contact us and we will put you in touch with your local Customer Service Account Manager (CSAM).
