

CONTRACT MANAGEMENT

 NZQA #2618 -2  45 credits  3-6 months

***New Zealand Certificate in Infrastructure
Works Contract Management (Level 5)***

Gain the skills and expertise to become a contract manager for infrastructure works projects.

Contract management is an essential element of infrastructure projects. If you are ready to take on more responsibility and work unsupervised, this qualification could provide you with the pathway there. Learn how to analyse terms and conditions; ensure compliance with laws, regulations and company policies; and provide advice and guidance to project management.
