

ROADMARKING

 NZQA #3236  95-120 credits  19 months

***New Zealand Certificate in Roadmarking
(Level 4) with an optional strand in Testing***

Get recognised as a Senior Operator that can lead to you supervising a roadmarking team.

Gain recognition for being part of an industry that carries out work on New Zealand roads to ensure our community drives safely from A to B. By completing this programme you'll achieve the skills and understanding to supervise those you work with. Continue to work in new locations, on new roads and work in a role where no two days are the same. The optional strand in this qualification also gives you the opportunity to get recognition for your skills to work as a Testing Officer.

This programme is recognised as a New Zealand Apprenticeship when you complete it with the optional strand in Testing

L4 ROADMARKING

NEW ZEALAND CERTIFICATE

LEARN HOW TO

- Apply health, safety, and environmental management procedures to meet compliance requirements.
- Plan, coordinate and carry out roadmarking work tasks to meet contract specifications.
- A skilled operator will be able to carry out both remark and new work using an A-type or B-type applicator.
- Supervise a roadmarking team to complete daily work activities on a roadmarking site, to meet contract specifications.

Graduates of the Testing strand will also be able to certify roadmarking applicators to ensure compliance with industry standards.

ENTRY REQUIREMENTS

There are no specific entry requirements however you must be employed in the industry.

HOW IT WORKS

It takes around 19 months to complete this programme and achievement is through on-job assessment. This programme can also be completed through Recognition of Current Competence (RCC). If you have 3 or more years of experience working in the industry, and can provide a portfolio of evidence, then RCC could be a great option for you to get qualified sooner.

WHERE THIS CAN TAKE YOU

Graduates of this qualification may work as senior roadmarking operators. Graduates of the optional strand, once registered, can operate as Testing Officers with the New Zealand Roadmarkers Federation Inc. This qualification can also lead to the New Zealand Certificate in Infrastructure Works Contract Management (Level 5).
