L3 TRAFFIC INCIDENT MANAGEMENT

NEW ZEALAND CERTIFICATE

LEARN HOW TO

- Assess risks to ensure the safety of first responders and other road users during a traffic incident.
- Respond, monitor and adjust traffic incident response to reduce incident duration and restore normal traffic flow as soon as is safely possible.
- Complete documentation and post incident procedures to re-open a traffic incident site.

ENTRY REQUIREMENTS

There are no entry requirements for this qualification, however you must be working in the industry.

HOW IT WORKS

It takes around 9 months to complete this qualification, and is achieved through on-job assessment with a combination of theory and practical work. It can also be completed through Recognition of Current Competence (RCC). If you have 3 to 5 years of experience working in the industry, and can provide a portfolio of evidence, then RCC could be an option for you. RCC recognises your prior skills, allowing you to get qualified within a shorter timeframe.

WHERE THIS CAN TAKE YOU

You will be able to operate under limited supervision within a traffic incident management team. You can progress your career pathway to get qualified at a higher level in other sectors.
