SUPPLEMENTARY CREDIT PROGRAMME (SCP) IN

# Plant and Equipment

## Skills Covered:

This SCP offers a selection of machinery and additional unit standards for your team to get skilled up in to compliment their existing skills in the infrastructure industry:

- Motor grader for earthworks
- Bulldozer on worksite
- Telehandler on worksite
- Wheeled loader on worksite

## Modes of Delivery:

This programme is achieved through on-job assessment and is completed through workbooks.

## Entry Requirements:

This SCP is suitable for learners who already hold the NZC in Infrastructure Works (Level 3) and are looking to achieve additional unit standards against specific plant and equipment.

## Progression Pathways:

Completing this SCP will give graduates a Connexis Certificate in Plant and Equipment Level 3. Graduates will also gain 4-6 Level 3 unit standards on your NZQA Record of Achievement, giving you nationally recognised skills. This SCP can lead towards a New Zealand Certificate in Infrastructure Works (Civil) (Level 4) with strands in Earthworks.
