

Power Up – Electricity Supply

Gateway Programme (Micro-credential) (Level 2)

This programme will introduce students to infrastructure’s Electricity Supply Industry (ESI). When students have achieved all of the unit standards they will be able to:

- Give an overview of the electricity supply industry
- Give an overview of plant and equipment
- Understand key statutes and codes
- Use personal protective equipment to keep themselves and others safe.

The programme is a mix of theory and practical units and can be completed through paper based workbooks or through eLearning.

This programme offers a pathway to the Micro-credential in Switched On –Electricity Supply (Level 3) or the NZ Certificate in Electricity Supply L2, all units count towards the ESI L2.

The Connexis Power Up – Electricity Supply Gateway Programme Package (Micro-credential) Level 2 includes:

- Gateway Information
- Trainee Assessment & Notes or eLearning logins for online resources

Unit Standards:

To complete the Power Up – Electricity Supply Gateway Programme (Micro-credential) Level 2, the student needs to complete the unit standards below:

Unit No.	Unit Standard Title	Level	Credits
10507	Use personal protective equipment in an electricity supply environment	2	4
12300	Demonstrate knowledge of safety statutes and codes used in the electricity supply industry	2	6
18275	Describe the major sectors in the New Zealand electricity supply industry and the relationships between them	2	3
20092	Demonstrate knowledge of plant and equipment in electricity supply networks	2	5
28020	Demonstrate knowledge of safe working electrical practices for Electricity Supply Workers	2	5
* Please note units are subject to change to ensure relevant training. Replacement unit will be advised at earliest convenience.			23

Terms and Conditions of enrolment

Each school must complete a Connexis Gateway Memorandum of Understanding (MOU) prior to enrolling students on a Connexis Gateway programme. This enrolment form, once completed, becomes a Schedule to the School's Gateway MOU and the terms and conditions of this enrolment are defined in the School's Gateway MOU.

Privacy Statement

The information you are providing will be used for the purpose of enrolling you into and administering your Connexis training programme, and for statistical purposes. We will keep your information secure and will only share it with other parties that are involved in the funding, administration or delivery of your Connexis training programme. If any of the information requested is not provided, we will be unable to process your application. Your information will be retained by Connexis in accordance with the Privacy Act 2020. You can request a copy of your information at any time and ask for it to be updated. If you have any questions, please contact Connexis.

Student declaration

While on work placement I agree to adhere to all health and safety measures, the rules and codes of behaviour of my school and all applicable workplace rules and policies.

Student signature

Date

I wish to enrol the student named above in the Connexis Power Up – Electricity Supply Gateway Programme (Micro-credential) Level 2. I understand further data may be required by the provider of this programme.

Gateway Coordinator signature

Date

Attach Student and Gateway Coordinator Photo ID and send completed form to:

Connexis Customer Service Admin
gateway@connexis.org.nz
Att: Gateway
PO Box 1245, Waikato Mailing Centre,
Hamilton 3240

Once the MOU has been completed and this enrolment form has been received and processed by Connexis, the gateway resource pack will be sent to school address, or eLearning login and details will be emailed to the student.
