

2023 FULL PRICING SCHEDULE – ENERGY and TELCO (PRICES APPLY FROM 1 JANUARY 2023)

Terms and Conditions – Pricing*

RCC Pricing

Where RCC is available for a programme (denoted by * next to the programme name), the following rules apply;

- Where an employer has a registered RCC assessor on staff, the On-Job with In-House Assessment price will apply
- Where an employer doesn't have a registered RCC assessor on staff, the On-Job with External Assessment price will apply

Split Invoicing

For programmes with a duration of 15 months or more and where the enrolment fee is \$3000 or more, the payer may choose to split the payment over two years in equal instalments. The first instalment will be invoiced on enrolment and the second instalment will be invoiced at the 12-month anniversary. The applicable options have been shaded and highlighted in bold. All other prices will be invoiced in full on enrolment. In all cases the option for split payment does not apply to RCC / Portfolio of Evidence.

Additional Service Fee

An Additional Service Fee of \$700 will apply to all enrolments that exceed duration and will be charged 2 months after the expected end date of the programme and on every anniversary thereafter until completion or termination.

Document Format

Each programme will have one or more delivery options which affect the pricing. They are;

- On-Job Training with External Assessor – this is where the trainee's employer doesn't have assessors on staff so an external assessor is contracted to assess the full programme for the trainee
- On-Job Training with In-House Assessor – this is where a trainee's employer has assessors on staff who will assess the entire programme for the trainee
- Off-Job (Provider) Training – this is where the trainee attends off-job courses with a provider for the full programme.

NB where an external assessor will only be used to assess part of a programme, the On-Job with In-House Assessor price will apply and additional assessment fees will be charged at the external rate.

***All pricing excludes GST and is subject to change, and you will be informed as details become available to us**
