Your success and hauora (wellbeing) are important to us.

Connexis | Te Pūkenga is proud to launch the Financial Assistance Fund to help ākonga (learners) reach their career goals.

Every learner is different and needs access to different tools and resources throughout their learning journey.

The purpose of this fund is to support ākonga so they can continue with their training, despite challenging times or changes in circumstances.

Successful applicants can receive up to \$3,000 to help with their specific needs.

Who is eligible:

This fund is for Connexis learners who:

- have been actively training for 12 months or more
- are experiencing financial barriers which impact their ability to achieve their career goals

This fund recognises the diverse and unique needs of all ākonga with a focus on Māori, Pasifika, and disabled ākonga.
