L3 ROADMARKING

NEW ZEALAND CERTIFICATE

LEARN HOW TO

- Coordinate tasks and activities on a roadmarking site to meet safety, quality, and environmental requirements.
- Safely operate an applicator to complete remark work on a roadmarking site.
- Apply knowledge of roadmarking materials and processes to meet contract specifications.

ENTRY REQUIREMENTS

You must be employed in the civil industry and be exposed to the relevant experience to gain this qualification. It is recommended that you hold the New Zealand Certificate in Roadmarking (Level 2) with optional strands in Piloting and Raised Pavement Markers, or can demonstrate equivalent knowledge and skills.

HOW IT WORKS

It takes around 14 months to complete this programme and achievement is through on-job assessment.

WHERE THIS CAN TAKE YOU

Graduates of this qualification can work as Roadmarking Operators. Graduates can also choose to continue their training progression by enrolling into the New Zealand
