We want our ākonga (learners) to reach their full potential

Connexis | Te Pūkenga has created this scholarship to equip our ākonga with the experience required to become the next generation of leaders in the infrastructure industry.

The Professional Outward Bound course is a five-day programme structured for aspiring leaders. This course will test resilience, adaptability, confidence and self-awareness through a series of trials, utilising the Marlborough Sounds as a learning environment.

The scholarship is valued at \$5000 which covers the Outward Bound course fee and a contribution to travel and other costs.

This scholarship requires employers to nominate learners based on their leadership potential.
