

Expression of Interest - Connexis | Te Pūkenga TTM Assessor 2024

New micro-credentials have been developed by industry for workers involved in Temporary Traffic Management (TTM) risk assessment and planning.

Connexis | Te Pūkenga is seeking expressions of interest from people within the TTM industry who wish to provide technical learning support and assess learners towards these qualifications.

Your role is to oversee the assessment process to ensure learners' evidence meets the required standards and participate in moderation processes, as requested by Connexis.

If you are interested, please complete the fields below:

Please tick the micro-credential you wish to assess:

Micro-credential in TTM Risk Assessment (Level 4)

Micro-credential in Traffic Management Design (Level 4)

Name:			
Assessor Type:	In-house	<input type="checkbox"/>	Contracted <input type="checkbox"/>
Current Job Title/Position:			
Company/Employer:			
Email:			
Mobile no:			
Date:			

Once you have completed the form, please save with a new file name and return it along with your CV showing relevant work experience and qualifications or RoA to quality@connexis.org.nz

Next steps

We will contact you once the programmes have been approved by NZQA. At that time, you will be asked to apply for a scope extension using an Assessor application form, which requires two industry referees to support that you have industry skills relevant to the micro-credential qualification you want to assess.
