What does your event look like

A strong focus on driver education/traffic management education/travelling through managed sites/what good looks like/how poor driver judgement can impact everything & everyone.

How to be a mindful, safer member of the public. How to keep yourself safe travelling through traffic managed sites. Risks, unfamiliarity with managed environment & driver confusion. Mitigating those risks – building confidence as young drivers/what to look for/best practice behavior for safety as a driver.

- *Why safety is our number 1 concern – RCP’s (Risk Control Plans – why we have them/how to complete)*
- *Traffic Management Focus – a day in the life of a Traffic Management Controller & Site Traffic Management Supervisor*
- *What good looks like vs poor driver behaviours caught on camera (TBC!)*
- *“A day in the life of”.....Female Speakers from our Waikato region covering off topics such as their journey (we are thinking in the spaces of engineering, asset management, laboratory)*
- *Quiz/engagement activity*
- *Project review & update: Borman Rd/Peacocke Rd development or presentation on new Asphalt Plant shipped from Italy - TBC.*
- *Traffic Management role play activity – radio comm’s & setting out imaginary site*
- *Speed competition – into & out of full PPE required for Bitumen team*
- *Networking during some refreshments with some of our female apprentices, engineers, operators, drivers, finance, health and safety staff*
