What does your event look like

Our day will begin with us all meeting together at Moawhango Dam and then heading off on a bus to visit key areas of the Tongariro Scheme, such as Rangipō Power Station where we will eat morning tea together. We will then travel to Tokaanu Power Station, where we'll have lunch together. Rangatahi will hear from some inspiring women in operational roles on our career panel and get involved in some hands-on activities such as wiring an extension cord and building a mini earth dam, facilitated by Genesis wāhine. After a tour of the Tokaanu Power Station, we'll close our day with reflections and thanks then students will head back to school.

| Time | Activity | Responsible Co-Host Connexis |
|---------|---|-----------------------------------|
| 9.30am | Rangatahi arrive at Moawhango Dam. Greet the team, hand out lanyards and Hi-Vis Vests. Check students are wearing appropriate clothing and footwear (schools will be informed in advance and reminded the week of the event). Head through the gate to Moawhango Dam. | Genesis Connexis |
| 9.40am | Opening & Housekeeping Karakia Timatanga: by Genesis team member or student volunteer. Housekeeping: Health & Safety briefing, explain their 50%, what to do in the event of an emergency, wharepaku, site requirements (not wandering off, listening to instructions). Kaupapa o te rā: Explain why we have gathered together and the plan for the day. Explain who Genesis are and what we do / how we do it. Explain the significance of the awa / maunga in this rohe. Kemu whanaungatanga: A quick icebreaker game to get everyone feeling comfortable and excited for the day. | Genesis |
