| Schools Registered and Attending: |   |

### What does your event look like

This event encompasses all the HEB construction sites that are currently underway on the strand Tauranga. Starting at the Cargo shed, we will be walking to the Beacon Wharf Project, then the Seawall and northern park redevelopment and then further down to the TCC walkway, a walkway on piles over the water.

Visit approximately 2km walk so a reasonable level of fitness required.

| Time                 | Activity  | Responsible<br>Co-Host   Connexis |
