What does your event look like

Participants will be divided into two groups, with each group engaging in distinct activities before swapping roles to ensure comprehensive exposure to the project.

Beams Game: An interactive session on-site, designed to provide hands-on experience with structural elements of construction.

Site Visit and Ecological Insight: A guided tour along the completed sections of the boardwalk. Project Manager Amy will lead this tour, focusing on the ecological aspects of the job and the surrounding area of Te Whau River.

Guest Speaker: A session with a distinguished guest speaker, offering valuable insights into the construction industry and ecological considerations in project management.
